

# Learning Objective Template

Performance/Action	Environment	Measure	Learning Objective
What is the participant expected to do?  Is the performance visible/audible?	What will the participant have while performing?  What will the participant not have while performing?	How well must the performance be done?  Speed? Accuracy? Quality?	<b>What is an Instructional Objective?</b> <ul style="list-style-type: none"> <li>Related to <b>outcomes</b>, rather than <b>process</b> for achieving those outcomes               <ul style="list-style-type: none"> <li><b>Specific</b>, rather than broad</li> <li><b>Measurable</b>, rather than intangible</li> </ul> </li> </ul>
<i>Run the 100 yard dash</i>	<i>Dry, level track</i>	<i>Within 14 seconds</i>	<i>Be able to run the 100 yard dash on a dry level track within 14 second</i>
